Nesci, Kimberly 11:47 AM:

What's the timing on the Aldicarb deliverable

Kaul, Monisha 12:02 PM:

Sorry

Kaul, Monisha 12:02 PM:

First week of Jan for signature

Kaul, Monisha 12:05 PM:

My alerts don't work on this computer so I missed this. I need to call eztech.

Nesci, Kimberly 12:10 PM:

I do want to review it - any way I can get a version earlier?

Nesci, Kimberly 12:11 PM:

Not today - maybe early next week if folks are in.

Kaul, Monisha 12:29 PM:

It still needs some work. I have tried to get this through PRP again but we are doing senior review instead before BC. If you are around next week then that would be a good time or early the following week.

Nesci, Kimberly 12:30 PM:

I can do that. Glad to wait until it's in better shape. Marietta is worried about the 1/8 PRIA date, but I think we're OK. The RD team is aware, I know, since we already talked about that.

Kaul, Monisha 12:32 PM:

It is tight.
